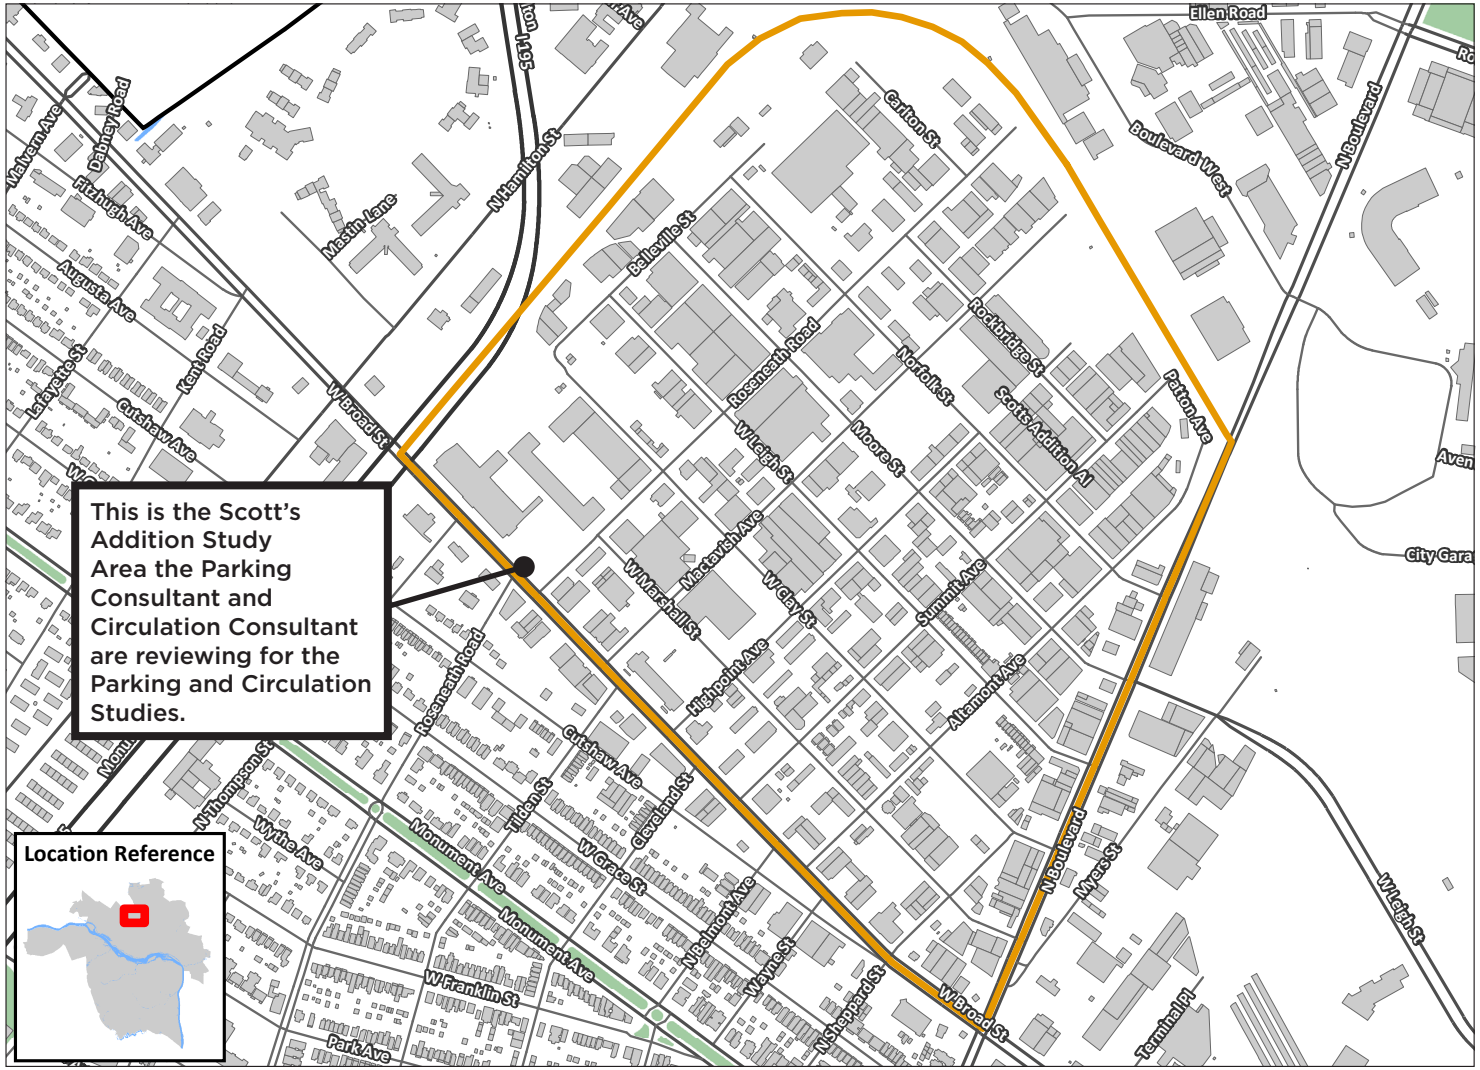
Come to the Scott's Addition Parking and Circulation Meeting!

Wednesday, June 13, 8:30 - 10:30A.M.
Studio Two Three 3300 W. Clay St.



Meeting Objectives:

1. **Share the parking and circulation data collected;**
2. **Document community member's parking and circulation concerns; and**
3. **Discuss the process to assess future demand and create parking and circulation recommendations.**

This meeting in June is the first of two public meetings about the Parking Study. At the second meeting, which will be in October 2018 (exact date TBD), we will discuss parking policy recommendations.

The Dept. of Public Works is developing a Circulation Study for Scott's Addition - that data will also be shared at this meeting.

If you cannot attend this June meeting but still want to learn about these studies, contact us at richmond300@richmondgov.com or 646-6348. You can also attend Office Hours from 3-5P.M. on the 2nd and 4th Thursday of the month at City Hall (900 E. Broad St, Room 511).

As part of the city-wide Master Plan update, the City is commissioning this Parking Study to review parking conditions in seven areas. **Join the Richmond 300 email list to get updates about the Parking Study and the Master Plan update process at richmond300.com**
