¹ The Scott's Addition meeting will also include a discussion about the Scott's Addition Circulation Study.

² Downtown includes Jackson Ward, Monroe Ward, Biotech/VCU Health District, Central Office, Capitol District, Shockoe Slip and Shockoe Bottom.

Meeting Objectives:

1. Share the parking data collected;
2. Document community member's parking concerns; and
3. Discuss the process to assess future demand and create parking recommendations.

These meetings in June are the first of two rounds of public meeting about the Parking Study. At the second round of meetings, which will be in October 2018 (exact dates TBD), we will discuss parking policy recommendations.

If you cannot attend these June meetings but still want to learn about this study, contact us at richmond300@richmondgov.com or 646-6348. You can also attend Office Hours from 3-5P.M. on the 2nd and 4th Thursday of the month at City Hall (900 E. Broad St, Room 511).

As part of the city-wide Master Plan update, the City is commissioning this Parking Study. **Join the Richmond 300 email list to get updates about the Parking Study and the Master Plan update process at richmond300.com**
