

## Land Use Working Group Meeting #5

**Meeting Goals:**

1) Walk away with a draft future land use categories and map, hubs descriptions and future transportation map that the group feels good about. These materials will be shared at the Working Group Summit.

2) Develop a list of questions/issues that the group may have about the future land use categories and map, hubs, and future transportation map that we may want to bring to the Working Group Summit for further discussion.
