

Parking Benefit District

What should be done with revenue collected from parking enforcement?

Parking Benefit Districts (PBD)

The money paid for on-street parking privileges & parking citations can be channeled to fund projects in the community as well as into the City's Parking Enterprise Fund. This program ensures the parking revenue does not go directly into the City's general fund and can be used to positively impact the local community.

These funds can be used for:

Sidewalk Repair

Lighting

Pedestrian & Cycling Infrastructure Improvements

Local Parks
